Bo,

- See E-Mail that I just sent to the agent.
- I had to wait for your input on the letters, which I now have, before scheduling the meeting.
- As indicated, I will send the letters this morning and set up the meeting today.
- We are on the same page here.

Thank You,

Daniel B. Peacock, Biologist

Dan-

This conference call needs to be scheduled today. I know you have a lot on your plate right now, so do you want me to schedule it for you?

Let me know.

Bo

Dan and John-

I am following up on my teleconference request to discuss the pending applications for Reckitt Benckiser. As mentioned in our meeting this fall, two of these are of high priority because of the state of New York requiring baits to comply with the mitigation one year early. If Reckitt does not get these registrations very soon, it will severely affect their business.
